

# NEO NATAL EXPANSION, PRINCESS ANNE HOSPITAL, SOUTHAMPTON.

This internal refurbishment scheme at Southampton's Maternity Hospital is being carried out to provide additional cot spaces within the existing Neo Natal Department.

The provision of these extra cot bays will be created over a larger floor area therefore allowing the nursing staff more working space around each patient.

These new facilities will be constructed over a twelve month period, with the works being phased to accommodate the existing Users and functions.

Phase 1- Enabling Works.

Phase 2- Special Care Baby Unit ( completed April 06 )

Phase 3 - H.D.U and I.C.U. ( completed July 06 )

Phase 4 - Isolation rooms and existing I.C.U. Refurbishment.

CLIENT: SOUTHAMPTON UNIVERSITY HOSPITALS NHS TRUST

LOCATION: PRINCESS ANNE HOSPITAL

COMPLETION: OCTOBER 2006

VALUE: £ 1,100,000
